Dear The Board of Directors for the Federation of Northern Ontario Municipalities,

As you know, Hope Air has been tirelessly dedicated to providing access to healthcare by facilitating free travel arrangements for patients living in your community. We ensure that individuals can reach life-saving medical treatment far from home, regardless of distance or financial means.

We want to thank you for your support last year in our advocacy to the Ontario government, for funding to Hope to enable our charity to meet the ongoing and growing demand for our programs. In 2023, Hope Air supported over 3,300 travel arrangements for patients across Northern Ontario. We remain in discussions with the Ministry of Health on a potential funding partnership

On **June 7th**, Hope Air is working with municipalities across Northern Ontario to declare this day, "**Hope Air Day**" in Ontario. We are choosing this day to shine the spotlight on the unique medical travel needs of thousands of residents each year. In turn, we must continue to bring awareness to the issue of equitable access to health care for all.

I am writing to request your consideration that your Municipality adopt the attached proclamation declaring June 7th, Hope Air Day. We would be grateful for this support, in joining cities and towns across the North to recognize the impact of Hope Air.

I have attached a draft of the proclamation for your review.

Please let know if you have any questions with regard to this proclamation,

Warm Regards,

Mark Rubinstein

Municipal Proclamation

Hope Air Day

June 7, 2024

Whereas, access to healthcare is a fundamental right for all citizens, regardless of their geographic location;

Whereas, Hope Air, a charitable organization, has been tirelessly dedicated to providing access to healthcare by facilitating free flights and other services for patients living in rural and under-served communities in Ontario, ensuring they can receive vital medical treatment regardless of distance or financial means;

Whereas, Hope Air has been instrumental in bridging the gap between smaller communities and hospitals far from home, reducing the barriers that often prevent individuals from reaching medical care;

Whereas, the impact of Hope Air extends beyond the individual patients served, positively affecting families, communities, and the healthcare system as a whole by promoting wellness and reducing the burden of untreated medical conditions;

Whereas, the compassion, dedication, and commitment demonstrated by Hope Air and its volunteers embody the spirit of community and the belief in the inherent value of every individual's well-being;

Now, therefore, be it proclaimed by the [Name of Municipality] that June 7th, 2024, shall be known as "Hope Air Day" in recognition of the invaluable contributions made by Hope Air to the health and well-being of individuals in Ontario's remote and rural communities.

We urge all citizens to join us in celebrating Hope Air Day and to reflect on the significance of ensuring equitable access to healthcare for all members of our society. Let us reaffirm our commitment to supporting initiatives that promote health equity and extend our gratitude to Hope Air for their unwavering dedication to serving those in need.
