SENT VIA EMAIL

Manitoulin-Sudbury District Services Board Member Municipalities:

The purpose of this letter is to bring to your attention that, at its regular monthly meeting of March 19, 2026, the Manitoulin-Sudbury District Services Board (DSB) passed Resolution #26-31 to call upon its member municipalities to acquire letters of support and council resolution outlining the ways in which municipalities can help support the growth of affordable housing stock in the Manitoulin and Sudbury districts.

A duly authorized copy of the Manitoulin-Sudbury DSB Resolution # 26-31 is attached.

We ask that you support this initiative by adopting your own municipal resolutions based on the proposed council resolution below:

WHEREAS the Council for the -municipality- recognizes the urgent need to expand rental housing options, including new affordable, family-sized and senior-focused housing in the community; and

WHEREAS Council supports the Manitoulin-Sudbury District Services Board in its efforts to advance affordable housing through the Northern Ontario Service Deliverers Association (NOSDA) coordinated, multi-site housing development strategy; and

WHEREAS Council will consider providing the following municipal supports for Manitoulin-Sudbury DSB housing projects:

- Waiving or reducing development-related fees including, but not limited to, water and sewer to lot line, water and sewer hookups, building permits, tipping fees, planning application fees, and development charges (where applicable)
- Providing timely planning, zoning, and permitting approvals
- Offering in-kind technical support during project development
- Exploring the need for and feasibility of municipal tax relief or other municipal financial tools once the development model is finalized.

NOW THEREFORE BE IT RESOLVED that the Council for the -municipality- formally supports the Manitoulin-Sudbury District Services Boards participation in NOSDA's coordinated, multi-site housing development strategy for Northern Ontario, including local development opportunities that address community needs and advance shared priorities for growth, revitalization, and affordability.

We thank you in advance for your support in addressing the need for affordable housing in the Manitoulin and Sudbury districts and look forward to collaborating with your municipality on future projects.

Dear Friends, Community Members, and Island Businesses,

It has been an exciting and inspiring year.

We achieved our goal of establishing a Navy League Cadet Corps (NLCC) for youth aged 9 to 12. The new corps, NLCC Edwin Kift, successfully launched earlier this year with strong leaders and eager cadets, and will begin a new training year this September.

At the same time, the Royal Canadian Sea Cadet Corps (RSCCC) Manitoulin continues to thrive, with approximately 30 cadets participating in the program. The corps provides youth aged 12 to 18 the opportunity to train together, learn valuable skills, build confidence, and have fun.

Our programs are inclusive and accessible to all; cadets do not need specialized talents, exceptional athletic ability, or top marks to succeed—only the desire to participate and a willingness to make an effort. Through the program, cadets develop citizenship, teamwork, and leadership while participating in training such as boating, maritime radio licensing, first aid, and marksmanship. There are also opportunities to attend summer training programs.

With keen cadets, supportive families, and dedicated leaders already in place, we rely on the generosity of individuals and businesses to fund essential equipment, trips, uniforms, and supplies. Investing in these programs provides a meaningful return for our community by creating positive opportunities and experiences that the young people of Manitoulin Island will benefit from throughout their lives.

Our fundraising goal for 2026 is \$25,000.

We sincerely ask you to consider supporting these youth programs.
